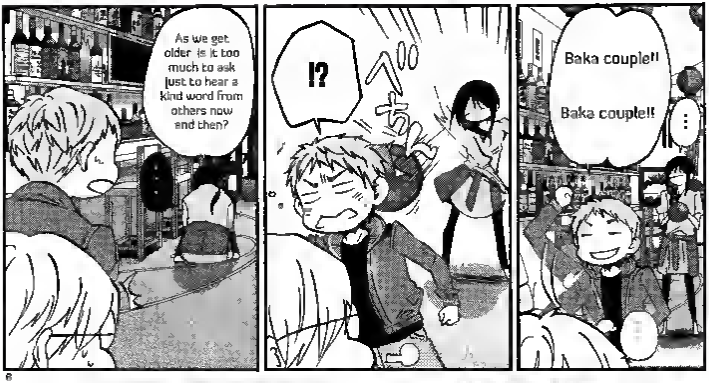
Chapter 25

Nice!
Sweeeet!

Why did you go out of your way to place it here?
Still,
And so, obviously, we needed a basket.
Cool, and...?
because I was on the basketball team back in middle and high school.
This is...
What's going on here?
This thing...
Wow
I hadn't noticed...
And...
The carpet is laid out like a basketball court, too
Oh no!
our roles might be reversed?
And did you consider that if I wake up first,
No problem...
I messed up...
Hmph
I thought it would be a perfect wake up call

It really annoys me here that you're talking as if sleeping together is normal!!
!!
...
Hey, not even I could miss at this distance.
Really?!
This guy sucks at sports.
Yeah, right.
?
Wait a minute!
Ah!
When it comes to baka couples, you guys are the most baka of all!
Yes, you so would!!
Hmm
Hey!!
Damn.
Aah!!
But when put it that way, you sound kinda gay, bro.
The one who shared this bed was you right?
Wait,
5
No, I wouldn't say that!
Is what you're going to say, anyway!
"As long as I have Ozawa, I don't need anything else,"



As we get older is it too much to ask just to hear a kind word from others now and then?
!?
Baka couple!!
Baka couple!!

I'll make you breakfast, okay?
I'll make anything you like for breakfast, so have mercy!
Okay?
My bad!
Hissssss

Itadaki-masu!

I know sheesh right?
Not...

Eating breakfast at a pub style counter is
Pretty awesome!

...
Pp

Moving it again would be a pain
Yeah...
Should we use the table?
So what should we do for dinner tonight?
Hmm?
For the hell of it? I wrote that menu seriously...
Heh!
SHIO TING BTAR FRIDI RICE**
BUDDHA JUMPS OVER THE WALL*
BLACK CURRY
So that menu up on the wall...if I may ask, will you make those for me?
No way, no way! We just wrote that for the hell of it.
8
Quit it...!
Eh..?!
I'd like to nibble on Ozawa-san
For dinner,

T/N *gourmet shark-fin soup
**an imaginary dish from Cooking Master Boy anime

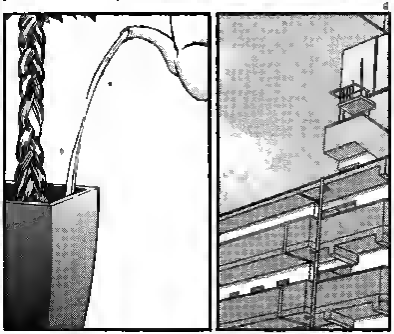
Whoa?!
Totally serious yeah
2 people who have done this

Shocking Star Fried Rice
Buddha Jumps Over the Wall
Black Curry
Potato Chips
Fried Chicken Skin
.....
Come on, quit kidding around about something like that, okay?

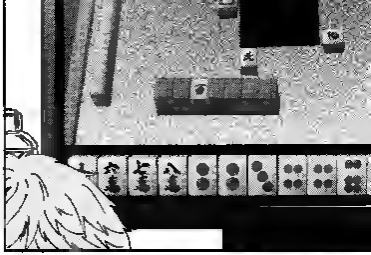
And,
Just kidding
Hahaha

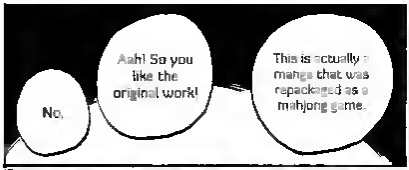
Uh, probably can take a lot of water
How much for this one again?
Okay!

Course
You'll still come to eat dinner here too, right?
Anyways



Ozawa-kun, you don't understand.
Heh heh heh
Is it fun to play by yourself?
Wouldn't you usually play with other people?

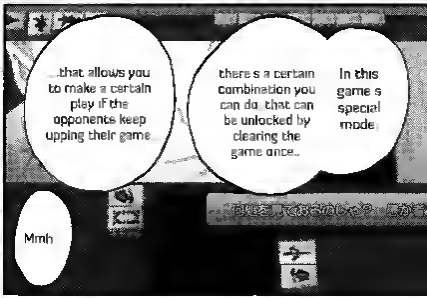




No.
Aah! So you like the original work!
This is actually a manga that was repackaged as a mahjong game.

Yeah.
Playing mahjong?

Fine, I've think I've heard enough.
Each character has their own habits that give them away
Well of course this is a character driven game after all
Sorry.
Cool. Fine by me



...that allows you to make a certain play if the opponents keep upping their game.
there's a certain combination you can do, that can be unlocked by clearing the game once..
In this game's special mode,
Mmh

Moreover, the lack of handicap settings in this game makes it more challenging
So I'm addicted to this game because it adds brand new elements.
And you can do something that's not possible in the regular game.

We're going to get groceries for dinner!
Yup
I'll start making something from what we have around
Okay
For now
Let's go with this

!!!
